The Biotechnologists: and the Evolution of Biotech Enterprises in the USA and Europe Stephanie Jones

In *The Biotechnologists*, a series of outstanding biotechnology entrepreneurs - from the USA, the UK and continental Europe - tell their own stories of how they played a part in the evolution of the biotechnology companies they founded and/or now run. The book also looks at the role of venture capital and other forms of financing through their key stages of growth. A detailed introduction outlines the emergence of the biotech boom and its progress to date. A glossary explains scientific terms.
