UFO Scotland: The Secret History of Scotland's UFO Phenomenon Ron Halliday

For over fifty years, from the Highlands to the Lowlands, and from the Western Isles to Orkney, witnesses have been reporting close encounters with UFOs and alien entities. Many cases have become notorious - the Livingston incident, the Lossiemouth alien, the A70 abduction, the extraordinary events in Bonnybridge and the 'Falkirk Triangle' - but the vast majority of cases have, until now, remained shrouded in secrecy, known only to those who were directly involved. Based on remarkable eyewitness accounts, many of which have never been published before, alongside in-depth analysis of the best-known cases, UFO Scotland is the first comprehensive study of the UFO phenomenon in Scotland. Including accounts of alien abductions, UFO landings, attacks on military aircraft, strange craft in Highland lochs, MoD denials, police investigations and a multitude of bizarre incidents that simply defy explanation, UFO investigator Ron Halliday's dramatic and disturbing new evidence may well bring us one step closer to solving the enduring enigma of Scotland's UFOs.
