Volare ResponsAbilMente (Italian Edition)

Luca Basso

Volare ResponsAbilMente (Italian Edition) Luca Basso

Questa pubblicazione colma una enorme lacuna: i nuovi piloti che hanno desiderio di evolversi in sicurezza, in tempi accettabilmente ristretti e di arrivare a buoni livelli hanno uno strumento sul quale studiare, lavorare e applicare quanto suggerito adattandolo al loro personale fabbisogno ed alle loro personali esigenze, perché certamente non potrà mai esistere un manuale che vada bene per tutti i modelli mentali. Anche i cosiddetti “piloti della domenica”, potranno trarre giovamento da una migliore conoscenza della nostra mente in volo e potranno ampliare i loro orizzonti con maggiore consapevolezza e sicurezza. Una particolare attenzione va dedicata al capitolo finale: “dialogo con l’autore” che poco ha a che fare con il resto della trattazione ma ci fornisce la motivazione (oserei dire direi l’Amore) che spinge l’autore a sacrificare gran parte del suo tempo libero per il Volo Libero. PIERANDREA PATRUCCO
