Today, one of the easiest ways to make money is to create and sell original ideas. Every year, more than 100,000 patents are granted in the U.S., creating a billion-dollar industry for those using intellectual property. With this book, would-be inventors can develop their ideas with low risk and a minimum of investment - without quitting their day jobs! Attorney and patent holder Steve Barbarich takes readers on an exciting journey through the patenting process. From concept to marketable product, there are step-by-step instructions that anyone can follow.

This book features important information on:

- Choosing which ideas to pursue
- Taking your ideas into the marketplace
- Prototyping and test marketing
- Filing the proper forms
- Protecting your ideas
- And much more!
