La rebelión de las moscas (B DE BOOKS) (Spanish Edition) Belen Varela

Ante la crisis, el optimismo y la Psicología Positiva se posicionan como elementos útiles de batalla; un buen ejemplo de esto es el título del último best seller de Eduard Punset, 'Viaje al optimismo'. Belén Varela –miembro de la Internacional Positive Psychology Association y directora de RH Positivo– propone un tipo de optimismo «emprendedor» para todo aquel que quiera mejorar su entorno y su vida: consejeros y directivos, padres, educadores, entrenadores y... personas; sobre todo personas. Cualquier organización nace del optimismo. 'La rebelión de la moscas' aborda el concepto del optimismo, esa ilusión que despliega nuestro cerebro ante los retos, desde un punto de vista emprendedor. El optimismo que la autora propone no es una esperanza pasiva y reposada en circunstancias favorables, sino un optimismo ambicioso, capaz de poner en marcha todo el potencial de las organizaciones, capaz de replegar todo el talento para la consecución de sus metas.
