## **Los Amos Del Planeta: La Elitocracia Global, Los Illuminati y el Novus Ordo Seclorum (Spanish Edition)** Dr. Francisco Rivadeneira Ph.D

LOS AMOS DEL PLANETA VOL. II En este volumen, el Dr. Francisco Rivadeneira hace un recuento desde los inicios remotos de la conquista del planeta Tierra por los Anunnaki, hasta la conformación en varias sectas secretas por sus descendientes, quienes dan inicio a una conspiración de enorme trascendencia en la evolución económica, política, social y religiosa de la humanidad. Es de esta manera que al crear una organización oculta conocida como los Illuminati, este libro realiza un examen de su agenda y el futuro de esta conspiración que acecha el futuro de los seres humanos para establecer un verdadero campo de concentración fascista, controlando, con el apoyo de las huestes satánicas, todos los aspectos que rigen los destinos de las sociedades. El enjambre de instituciones públicas y secretas que han establecido tiene como objeto el crear las condiciones para establecer un gobierno mundial, un ejército mundial y una moneda universal bajo el lema del Novus Ordo Seclorum o el Nuevo Orden Mundial. Sin embargo, el autor también escudriña el otro aspecto positivo de todo ese holograma de ilusión al presentar la opción de un proyecto divino de amor, vida y luz, no solamente para el planeta Tierra, sino para todo el universo inmediato. Esto daría paso a un futuro de paz y prosperidad al eliminar las estructuras arcaicas manipuladas por los Amos del Planeta.
