The Incredible Double

Owen Hill

The Incredible Double Owen Hill

Most of the time, Clay Blackburn is your average, bisexual, book scout in Berkeley, but sometimes he's a would-be private detective—without a license, gun, or even a business card. Despite his questionable qualifications, people still come to him for help, and he inevitably comes across more than his fair share of trouble. Through it all, he's constantly seeking the fountain of youth, the myth of paradise, the pie in the sky—The Incredible Double. Fighting his way through corporate shills, Berkeley loonies, and CEO thugs, Clay struggles to understand the secret of The Double and discover the true meaning of life. Joined by his three trusty but goofy sidekicks—best friend and lefty soldier of fortune Marvin, ex-FBI agent Bailey Dao, and smarmy but debonair Dino Centro—Clay confronts a host of bizarre characters, including drug casualty turned poet Loose Bruce, conspiracy theorist Larry Sasway, and Grace, the Tallulah Bankhead of Berkeley. Together—and sometimes not so together—they team up to foil Drugstore Wally, the CEO with an evil plan.
