The Looney Experiment (Blink) Luke Reynolds

Author Luke Reynolds's humorous and heart-warming contemporary novel, *The Looney Experiment*, chronicles one boy's journey through bullying, first love, and an up-close examination of the meaning of courage.

Atticus Hobart couldn't feel lower. He's in love with a girl who doesn't know he exists, he is the class bully's personal punching bag, and to top it all off, his dad has just left the family. Into this drama steps Mr. Looney, a 77-year-old substitute English teacher with uncanny insight and a most unconventional approach to teaching. But Atticus soon discovers there's more to Mr. Looney's methods than he'd first thought. And as Atticus begins to unlock the truths within his own name, he finds that his hyper-imagination can help him forge his own voice, and maybe—just maybe—discover that the power to face his problems was inside him all along.
