Acorna's Quest

Anne McCaffrey

Acorna's Quest Anne McCaffrey

"I must find my own kind!"

Found as an infant drifting in space, Acorna, the Unicorn Girl, has become a young woman. She still has her tiny, translucent horn, and her "funny" feet and hands. And, she still has her miraculous ability to make plants grow and heal human sickness.

But Acorna has strange dreams of a gentle folk who mind-speak by touching horns. With her "Uncle" Calum, one of the three grizzled asteroid prospectors who rescued, protected, and raised her, she sets off to find her people. No sooner does she leave than a mysterious craft appears, piloted by the *Linyaari*, a gentle race with telepathic powers.

The *Linyaari* are roaming the galaxy, spreading the alarm about the deadly *Khleev*--And searching for a beloved little girl they had given up for lost, long ago...
