Deena Hopping, a Pennsylvanian divorcee, finally has a home again, a rental, but it's new and she is rebuilding her life. Yet there is something about the basement that troubles her besides the fact that her landlord lives in the basement. When women begin to disappear she suspects her landlord. Researching the history of the town, she learns that there were many mysterious disappearances throughout its history. When the police finally put an end to her landlord's reign of terror, she thinks all is well. But the real horror is hidden deeper in the earth, below the basement, a being of evil that will destroy the entire town if that's what it takes to feed its appetite...
