## **Homoeopathy For Emergencies** Phyllis Speight

This small book has been written to enable those with no knowledge of homoeopathy to apply the remedies in emergencies and injuries.

These are safe and have no side effects and if well chosen to match the patient's symptoms they can produce amazing results.

The emergencies are listed in alphabetical order and I have tried to include anything that can develop quickly and needs prompt attention. In some cases a doctor should be called but, even so, help may be given pending his arrival.
