Llegendes de pescadors (Catalan Edition)

Joan de Déu Prats

Llegendes de pescadors (Catalan Edition) Joan de Déu Prats

El primer llibre que aplega les llegendes de pescadors més conegudes, fascinants, inèdites i actuals des del cap de Creus fins a Alcanar.

No hi ha llegendes d'oficinistes, ni llegendes de funcionaris, ni llegendes de buròcrates, però sí que hi ha llegendes de pescadors... perquè els pescadors s'han hagut d'enfrontar als elements, com la tramuntana i les llevantades, que han ocasionat molts naufragis. Han hagut d'evitar els pirates, que durant segles terroritzaven el litoral català. S'han hagut d'encarar a monstres marins com taurons i catxalots. I han hagut de saber llegir les estrelles i conèixer l'origen dels vents, i descobrir en quins abismes marins s'amagava la millor pesca.

El mar i les seves fondalades han estat un territori sovint inquietant, desconegut, ignot, on velles creences afirmaven que hi vivien divinitats aquàtiques i éssers fabulosos com sirenes, nereides, serps i pops gegants. Els pescadors, per posar en favor seu la força esborronadora de la natura, s'han encomanat a sant Elm, a sant Pere o a la Mare de Déu del Carme, fesomies modernes d'antigues divinitats paganes.

Catalunya, al capdavant, disposa de més de cinc-cents quilòmetres de costa, on han fet vida pescadors, mariners oceànics i de cabotatge, corallers, esclavistes, corsaris i pirates, contrabandistes, exploradors, inventors d'enginys submarins... tots ells bregant amb les aigües calmes o esbravades de la nostra Mediterrània. I aquesta vida ha criat un munt de llegendes, i històries reals i fantàstiques, que us convidem a reviure a través d'aquest llibre. Després de llegir-lo, no podreu evitar de visitar els seus paisatges.
