A lengthy historical novel written because Joan of Arc was Clemens' favorite historical character. He stated: "It means more to me than anything I have ever undertaken." Clemens devoted twelve years to researching and writing this novel. Harper's Magazine serialized it first in three monthly installments (April 1895-April 1896) without his name. He used the pseudonym *Sieur Louis de Conte* to prevent the work's not being taken seriously under his own name, while the name of the translator, *Jean Francois Alden*, is referred to as a pun on *John Alden*. This edition contains many of the fine drawings that had appeared in the periodical. (From "A Centennial For Tom Sawyer")
