## **The Reluctant Debutante (Cotillion Ball Book 1)** Becky Lower

In 1855 New York, Ginger Fitzpatrick has absolutely no interest in taking part in the newest rage in America—the Cotillion Ball. Instead, Ginger would rather be rallying for women’s rights—at least until she meets her brother’s best friend from St. Louis, a dark mysterious man named Joseph Lafontaine, who ignites her passion and makes her question if love and marriage is such a ridiculous notion after all.

What she and the rest of New York’s high society don’t realize is that Joseph is half Ojibwa Indian, and therefore, totally unsuitable for marriage to a fine, cultured young lady.

In this Edith Wharton-meets-Julia Quinn tale, a young woman rebels against high society and opts for a life in which she creates her own set of rules.

*Sensuality Level: Sensual*

Ever since submitting her first screenplay to *Bonanza* at age twelve, **Becky Lower** has had a love affair with the American west. Since personal time travel is out of the question, she pursues her passion by writing about it. Becky is a graduate of Bowling Green State University and lives in Oberlin, Ohio with her dog, Mary.
