En busca de la Atlántida (Spanish Edition) Andy McDermott

La Atlántida, la isla que se hundió bajo las aguas hace once mil años, la civilización avanzada que fue castigada por su soberbia, ha atrapado la imaginación de los hombres desde la Antigüedad. Y su leyenda se ha convertido en una obsesión para la arqueóloga Nina Wilde, que cree haber encontrado en los textos antiguos una pista que finalmente podría probar su existencia y conducirla hasta su paradero exacto. Cuando la universidad se niega a financiarle una expedición, Nina acepta el ofrecimiento del millonario Kristian Frost, que pone a su disposición todo el dinero y los recursos que necesite. Con la ayuda de Kari, la hija de Frost, y de Eddie Chase, el escéptico ex miembro de las fuerzas especiales británicas encargado de protegerlas, la búsqueda da comienzo. Poco a poco, de entre las brumas de la leyenda, empieza a emerger el rastro de una civilización antiquísima. Pero hay quien desea impedir a toda costa que sea descubierta... De las calles de Manhattan a las profundas aguas del océano Atlántico, de la selva amazónica a la cordillera del Himalaya, Andy McDermott nos sumerge en una trepidante y épica aventura, en la mejor tradición de las novelas de Clive Cussler y las películas de *Indiana Jones*.
