English Words: History and Structure

Donka Minkova, Robert Stockwell

English Words: History and Structure Donka Minkova, Robert Stockwell

This new edition is concerned primarily with the learned vocabulary of English - the words borrowed from the classical languages. It surveys the historical events that define the layers of vocabulary in English, introduces some of the basic principles of linguistic analysis, and is a helpful manual for vocabulary discernment and enrichment. The new edition has been updated with a discussion of the most recent trends of blending and shortening associated with texting and other forms of electronic communication and includes a new classification of the types of allomorphy. It discusses important topics such as segment sonority and the historical shifting of long vowels in English, and includes a new section on Grimm's law, explaining some of the more obscure links between Germanic and Latinate cognates. Exercises accompany each chapter and an online workbook contains readings and exercises to strengthen knowledge acquired in the classroom.

From reader reviews:

Dolores Watkins:

The book English Words: History and Structure make one feel enjoy for your spare time. You may use to make your capable considerably more increase. Book can to get your best friend when you getting anxiety or having big problem using your subject. If you can make reading a book English Words: History and Structure to be your habit, you can get far more advantages, like add your capable, increase your knowledge about several or all subjects. You are able to know everything if you like available and read a e-book English Words: History and Structure. Kinds of book are several. It means that, science book or encyclopedia or other people. So , how do you think about this publication?

Jacqueline McArdle:

As people who live in the modest era should be update about what going on or information even knowledge to make these keep up with the era that is always change and advance. Some of you maybe may update themselves by examining books. It is a good choice for you but the problems coming to an individual is you don't know which one you should start with. This English Words: History and Structure is our recommendation to make you keep up with the world. Why, as this book serves what you want and want in this era.

Christopher Forney:

As a university student exactly feel bored to help reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just very little students that has reading's spirit or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this English Words: History and Structure can make you feel more interested to read.

Sandra Wright:

A number of people said that they feel bored when they reading a publication. They are directly felt this when they get a half parts of the book. You can choose the book English Words: History and Structure to make your own personal reading is interesting. Your current skill of reading ability is developing when you including reading. Try to choose basic book to make you enjoy to see it and mingle the feeling about book and looking at especially. It is to be initial opinion for you to like to wide open a book and go through it. Beside that the e-book English Words: History and Structure can to be your friend when you're really feel alone and confuse with what must you're doing of these time.
