Intrigas, engaños y desencuentros en tiempos de guerra.

Lola Villar nunca se ha comportado como es propio en una señorita. Monta a horcajadas, pesca y caza... Su coraje la ha llevado ahora a hacerse pasar por Sol Monforte y a convertirse en espía para El Círculo, la red de inteligencia formada por espías y diplomáticos en la España ocupada por Napoleón. Un topo se ha infiltrado y hay que descubrirlo urgentemente. Todo el mundo está bajo sospecha... incluso Álvaro de Urquijo, duque de Tello, que ha demostrado ser un osado y valioso diplomático. Lola siempre estuvo enamorada de él, pero Álvaro solo le devolvía indiferencia. ¿Reaccionará igual ante Sol Monforte? ¿La reconocerá tras el barniz elegante y casquivano en el que se oculta la niña salvaje a la que conoció en su adolescencia?

De fuerte carácter ambos, su reencuentro será un choque entre dos fuerzas de la naturaleza. Ella no es ninguna dócil damisela, él no es de los que perdonan fácilmente un engaño.

Otros libros de esta autora: *Difícil perdón*.

*”Definitivamente es de las novelas que me gustan leer. Hace tiempo que no leía una novela histórica con tan cuidados detalles históricos y tan prolija en la ambientación y descripción. Tengo que confesar que esta novela realmente me sorprendió, es una historia intensa y profunda, con el romance que una lectora de romántica espera encontrar.”*

**Mis novelas históricas**

”Me ha gustado muchísimo, de nuevo Mercedes sirviéndose de una bonita historia personal nos acerca a una época de la historia española, si bien más recordada que otras no por eso más conocida. Para mí una perfecta combinación de aventuras, intrigas palaciegas, y una intensa historia de amor en medio de la guerra de la Independencia española. Muchas gracias Mercedes por este cóctel tan apetecible.”

**Una lectora**

### From reader reviews:

#### Joseph Anderson:

Book is usually written, printed, or created for everything. You can know everything you want by a e-book. Book has a different type. We all know that that book is important thing to bring us around the world. Adjacent to that you can your reading ability was fluently. A publication Indomables (HQÑ) (Spanish Edition) will make you to end up being smarter. You can feel much more confidence if you can know about anything. But some of you think in which open or reading the book make you bored. It is not make you fun. Why they are often thought like that? Have you in search of best book or ideal book with you?

#### Albert Christensen:

As a student exactly feel bored for you to reading. If their teacher questioned them to go to the library or to make summary for some book, they are complained. Just minor students that has reading's heart or real their passion. They just do what the teacher want, like asked to the library. They go to there but nothing reading significantly. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Indomables (HQÑ) (Spanish Edition) can make you truly feel more interested to read.

#### Thomas Baldwin:

Guide is one of source of knowledge. We can add our information from it. Not only for students but also native or citizen want book to know the update information of year to help year. As we know those textbooks have many advantages. Beside all of us add our knowledge, can bring us to around the world. With the book Indomables (HQÑ) (Spanish Edition) we can take more advantage. Don't someone to be creative people? To become creative person must prefer to read a book. Simply choose the best book that acceptable with your aim. Don't become doubt to change your life at this time book Indomables (HQÑ) (Spanish Edition). You can more desirable than now.

#### Jo Villegas:

Reading a guide make you to get more knowledge as a result. You can take knowledge and information from a book. Book is composed or printed or highlighted from each source that filled update of news. On this modern era like today, many ways to get information are available for a person. From media social similar to newspaper, magazines, science reserve, encyclopedia, reference book, novel and comic. You can add your understanding by that book.
