Franz Kafka

La metamorfosis y otros relatos (Spanish Edition) Franz Kafka

Kafka, una de las figuras más significativas de la literatura del siglo xx por la sorprendente modernidad de los temas que aborda en su obra y el enfoque que les da, escribió La metamorfosis a finales de 1912, en poco más de dos semanas. En esta novela aparecen tratados de una manera simbólica los problemas de la soledad, la frustración, la arbitrariedad y la angustiada sensación de culpa que experimenta el individuo al verse amenazado por unas fuerzas desconocidas y superiores que no alcanza a comprender ni puede controlar. En la presente edición, además de La metamorfosis, se incluyen otros dos relatos —La condena y En la colonia penitenciaria— que el propio Kafka planeó en algún momento publicar juntos bajo el título Castigos, aunque nunca lo llegó a realizar. El nexo entre los tres relatos es la problemática relación entre la autoridad, representada por el padre o el poder autoritario, y el individuo, ya sea el hijo o un hombre cualquiera, así como el castigo que esa desigual relación siempre conlleva.
