## **The Complete A\*\*hole Dad: Random Musings of an Inappropriate Parent** Dan Indante

Dan Indante is a bitter, vindictive attorney most famous for writing the seminal relationship book *The Complete A\*\*hole's Guide To Handling Chicks*, quite possibly the most offensive work in the history of American literature. Now, still lacking any sense of maturity but beholden to two kids and a wife, 40-plus-year-old, fat, balding, unrepentant Dan pretends to be a model parent during PTA meetings and Little League games while secretly writing hateful screeds (like this book) which rage against the banality of modern parenting. Dan lives and works in Beverly Hills until the creditors from his various real estate projects catch up to him.
