The Gold Diggers: A Novel Paul Monette

Paul Monette's uproarious, sexy novel takes us deep into the glamorous world of vintage Los Angeles

Perched on top of a hill in the oldest part of Bel Air, Crook House is the grand mansion that gilded Hollywood dreams are made of. It seemed like the perfect place for the exhausted and neurotic Rita to take time away from her life and catch up with her old friend Peter and his lover, Nick. What she didn't count on was her friends' emotional baggage, not to mention the suspicious tales of a buried treasure underneath the house.

This second novel from Paul Monette puts a tender focus on the ways in which money and time can distort relationships, while also demonstrating how the ties between friends can endure—and even grow stronger—no matter what the distance or history. As Rita, Nick, and Peter get closer to unraveling the mystery buried underneath Crook House, they begin to learn that what they are searching for could be the key to their very survival.

This ebook features an illustrated biography of Paul Monette including rare images and never-before-seen documents from the Paul Monette papers of the UCLA Library Special Collections.

James Labrecque:

Your reading 6th sense will not betray you actually, why because this The Gold Diggers: A Novel e-book written by well-known writer whose to say well how to make book that could be understand by anyone who all read the book. Written with good manner for you, dripping every ideas and publishing skill only for eliminate your personal hunger then you still skepticism The Gold Diggers: A Novel as good book not only by the cover but also by content. This is one book that can break don't determine book by its include, so do you still needing a different sixth sense to pick that!? Oh come on your reading through sixth sense already told you so why you have to listening to a different sixth sense.

Wendy Hartnett:

As a pupil exactly feel bored for you to reading. If their teacher inquired them to go to the library as well as to make summary for some e-book, they are complained. Just small students that has reading's internal or real their leisure activity. They just do what the educator want, like asked to the library. They go to right now there but nothing reading really. Any students feel that studying is not important, boring along with can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this The Gold Diggers: A Novel can make you sense more interested to read.
