Twisted Tails VII J. Richard Jacobs

Irreverence? What's that?

Well, that all depends on how the word is used. The context, you know. Irreverence is not limited to what many people think-something to do with religion, although that can be a large part of it. Nope, it is a big word with broad meaning. Let me give you a few examples of how it is used:

Irreverent is the adjective from which the noun "irreverence" comes.

Its basic meaning is "disrespectful". Now you have an idea of just how broad it can be. I'll wager you can think of a lot of ways to be disrespectful. There is a whole world of irreverence in the pot. Our authors gleefully dip their pens into that pot and scribble out their twisted views of this world-or other worlds.

Words that can be used in place of irreverent (synonyms) are: aweless, cheeky, cocky, contemptuous, crusty, derisive, flip, flippant, fresh, iconoclastic, impertinent, impious, impudent, insolent, irreverential, mocking, out-of-line, profane, rude, sacrilegious, sassy, saucy, tongue-in-cheek, ungodly, unhallowed, unholy and so forth. As you can readily see, the majority of the Twisted Tails authors are world class representatives of the word in all its specific meanings; not just a couple.

I have gathered together several cheeky authors whose impiety is well known and asked them to grace these pages with words of insolence for your reading pleasure. As always, there is no genre restriction. Here you'll find Science Fiction, Fantasy, Mystery, Thrill-a-minute-even Mainstream. The only common element here is Irreverence. The other big deal about the Twisted Tails series that is a must are unexpected endings and sheer quality of writing. Each author brings his/her unique style and voice to the page, but to get to the page the quality of writing demanded in the Twisted Tails series of anthologies had to have been there or it would have been a "no-go". Just another rejection slip to add to the stack in an author's dark corner. Have fun while you cringe at their out-of-line talent at twisting irreverent tales and we hope to see you again-should there be a next time. I have it on good authority that there probably will be a next time, so keep a watch for it.

From reader reviews:

Sandy Holiday:

The guide untitled Twisted Tails VII is the book that recommended to you you just read. You can see the quality of the guide content that will be shown to you. The language that author use to explained their way of doing something is easily to understand. The copy writer was did a lot of investigation when write the book, hence the information that they share to your account is absolutely accurate. You also might get the e-book of Twisted Tails VII from the publisher to make you far more enjoy free time.

Thomas Paris:

Why? Because this Twisted Tails VII is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will jolt you with the secret it inside. Reading this book beside it was fantastic author who else write the book in such awesome way makes the content inside of easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book include such as help improving your proficiency and your critical thinking means. So , still want to hesitate having that book? If I were you I will go to the publication store hurriedly.

Robin Norfleet:

This Twisted Tails VII is great book for you because the content and that is full of information for you who always deal with world and also have to make decision every minute. This kind of book reveal it information accurately using great plan word or we can point out no rambling sentences within it. So if you are read this hurriedly you can have whole facts in it. Doesn't mean it only offers you straight forward sentences but hard core information with wonderful delivering sentences. Having Twisted Tails VII in your hand like getting the world in your arm, details in it is not ridiculous one particular. We can say that no book that offer you world in ten or fifteen small right but this book already do that. So , this is good reading book. Heya Mr. and Mrs. stressful do you still doubt in which?

Weston Brock:

Reading a book to become new life style in this year; every people loves to examine a book. When you study a book you can get a lot of benefit. When you read ebooks, you can improve your knowledge, simply because book has a lot of information onto it. The information that you will get depend on what sorts of book that you have read. If you want to get information about your study, you can read education books, but if you act like you want to entertain yourself read a fiction books, this kind of us novel, comics, and also soon. The Twisted Tails VII offer you a new experience in reading a book.
