Un enemigo del pueblo (Spanish Edition)

Henrik Ibsen

Un enemigo del pueblo (Spanish Edition) Henrik Ibsen

En *Un enemigo del pueblo*, el autor relata la historia del doctor Thomas Stockmann y de una ciudad cuyo balneario es la principal atracción turística y el motor de la economía local.

El Dr. Stockmann es una de esas personas que poseen firmes principios y sucede que descubre en el agua una bacteria contaminante, capaz de poner en riesgo la salud de toda la población. A partir de ello se propone advertir a los demás acerca de semejante peligro.

Esta decisión lo enfrenta a los poderosos de la ciudad, a los periodistas y a los medios de comunicación, incluso a su propio hermano, el alcalde. Los pobladores y las autoridades parecen más preocupados por los inconvenientes económicos que la desinfección del agua acarrea y por la posible pérdida de clientes del balneario que por la salud de las personas. De esta forma confrontan intereses económicos que priman por sobre la salud del pueblo.

El doctor combate encarnizadamente contra todos los sectores poderosos de la comunidad, diciendo aquello que nadie desea oír. Se lo señala como traidor y todo el pueblo confabula para hacer imposible la vida de Thomas y la de su familia, llegando incluso a ponerlos en riesgo.
