**Viaje al centro de la fábula (NARRATIVAS) (Spanish Edition)** Augusto Monterroso

Figura clave de la literatura hispanoamericana moderna, Augusto Monterroso es famoso sobre todo por sus obras concisas pero paradójicamente inabarcables por su riqueza. El presente volumen, que reúne tres de sus lúcidos trabajos, contribuye a dar la justa medida de este autor fundamental para entender la evolución de la narrativa breve contemporánea. En el primero de ellos, el cautivador texto autobiográfico *Los buscadores de oro*, Monterroso intenta averiguar cómo ha llegado a ser quien es, a partir de la revisión de sus orígenes y los de su familia. Como complemento a esta obra hipnótica y evocadora, *Viaje al centro de la fábula* nos lleva al corazón del universo literario del escritor guatemalteco, gracias a una serie de reveladoras entrevistas que le hicieron a lo largo de los años.
