Proposal under the Eastern sun...

To Dr. Tom Bracken, working in the Far East is about more than setting up a health-care agency. He's come to cleanse his heart by dedicating himself to his patients.

When nurse Bec Monahan arrives on his doorstep, he thinks she's just another nurse. But something about her beautiful violet eyes and the secrets they hide intrigues him.

Gradually, as they work together amongst the lush valleys, high mountains and stunning lagoons, Tom realizes that Bec holds the key to his guarded heart. Might he have finally found a woman to belong to?
