Here is a compact and useful guide, filled with detailed and original drawings, to help put a date to the variety of period buildings we see around us. It covers an immense range of structures and styles from 1500 to 1950. In addition, there is a glossary of architectural terms and a historical time chart. The book will prove an invaluable companion whether visiting grand houses open to the public or simply strolling around the streets of villages, towns and cities.
