The overarching purpose of Heavenly Father's great plan of happiness is to provide His spirit children with opportunities to learn," writes Elder David A. Bednar of the Quorum of the Twelve Apostles. But how can we best learn the things we need to know and do?

Elder Bednar emphasizes concepts, patterns, and processes that invite each of us to act and learn fundamental truths for ourselves. Declaring that answers to our questions always are found in the doctrines and principles of the restored gospel, he provides a framework in this book for learning those doctrines and understanding with our hearts.
