Juan Manuel de Rosas: El maldito de la historia oficial (Spanish Edition) Pacho O'Donnell

Aborrecido por la historiografía liberal argentina, Juan Manuel de Rosas sigue representando aún hoy, para muchos, el atraso, el populismo, el totalitarismo y la barbarie. Pero la Historia es tenaz, y lo que se trata de ignorar, ocultar o corromper termina saliendo a la luz.

Rosas, que al asumir su primera gobernación era el hacendado más poderoso de Buenos Aires, supo hacer de la estancia una moderna unidad productiva capaz de competir de manera ventajosa en el capitalismo naciente. A las "minorías ilustradas", que llegaron a apoyar la fragmentación territorial y una invasión imperialista con tal de librarse del "tirano", Rosas les opuso la adhesión masiva de los sectores populares tradicionalmente postergados. A tal punto fue querido por el pueblo, que hasta su acérrimo enemigo Sarmiento tuvo que afirmar que "nunca hubo un gobierno más popular y deseado ni más sostenido por la opinión que el de Don Juan Manuel de Rosas".

Hombre al fin, cometió errores y tomó medidas reprobables, en el contexto de una época novedosa, en la que los errores y las medidas reprobables eran, a veces, más norma que excepción, y principalmente, práctica común entre todos, amigos o enemigos.

Para Rosas, la función pública estuvo lejos de ser una herramienta de enriquecimiento personal. El estanciero rico que había asumido el gobierno salió del país exiliado y en la pobreza material, pero dueño de uno de los tesoros más grandes de la Patria: el sable de la Independencia que José de San Martín le había legado como gratitud por la firmeza con la que había sostenido "el honor de la República contra las injustas pretensiones de los extranjeros que trataron de humillarnos".

When you read this Juan Manuel de Rosas: El maldito de la historia oficial (Spanish Edition), you are able to tells your family, friends and soon about yours reserve. Your knowledge can inspire different ones, make them reading a reserve.

Adam Mathews:

Reading a publication tends to be new life style in this era globalization. With studying you can get a lot of information that will give you benefit in your life. Along with book everyone in this world can easily share their idea. Publications can also inspire a lot of people. A great deal of author can inspire their very own reader with their story or perhaps their experience. Not only the storyline that share in the textbooks. But also they write about the information about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors these days always try to improve their proficiency in writing, they also doing some research before they write for their book. One of them is this Juan Manuel de Rosas: El maldito de la historia oficial (Spanish Edition).

Larry Strickland:

Spent a free time for you to be fun activity to accomplish! A lot of people spent their down time with their family, or all their friends. Usually they undertaking activity like watching television, about to beach, or picnic inside park. They actually doing ditto every week. Do you feel it? Do you need to something different to fill your own personal free time/ holiday? Could be reading a book may be option to fill your free time/ holiday. The first thing you will ask may be what kinds of reserve that you should read. If you want to test look for book, may be the publication untitled Juan Manuel de Rosas: El maldito de la historia oficial (Spanish Edition) can be fine book to read. May be it is usually best activity to you.

Benjamin Herrera:

Precisely why? Because this Juan Manuel de Rosas: El maldito de la historia oficial (Spanish Edition) is an unordinary book that the inside of the reserve waiting for you to snap this but latter it will surprise you with the secret this inside. Reading this book adjacent to it was fantastic author who else write the book in such amazing way makes the content within easier to understand, entertaining way but still convey the meaning completely. So , it is good for you because of not hesitating having this nowadays or you going to regret it.

This unique book will give you a lot of benefits than the other book get such as help improving your skill and your critical thinking approach. So , still want to postpone having that book? If I were you I will go to the publication store hurriedly.
