Con cincuenta años recién cumplidos, Pablo ha perdido su trabajo. Sin saber qué más puede hacer para cambiar su precaria situación, angustiado, ve como la prestación de desempleo de la que malvive está a punto de acabarse. Una mañana, como tantas otras, mientras lee en una cafetería la sección de ofertas de empleo, su camino se cruza con D. Andrés, un viejo profesor laico del que recibió clases en un colegio religioso cuando era niño, cuarenta años atrás. A partir de este encuentro y a lo largo de tres días, sostienen una franca e intimista conversación en la que Pablo, abriéndose, expresa sus miedos y dudas al profesor ante el incierto futuro que le aguarda debido a la profunda crisis que recorre el mundo de un extremo a otro, una crisis que en ningún momento pensó que pudiera llegar a afectarle a él, y que sin embargo, se ha llevado por delante la forma de vida basada en el consumismo a la que se habían acostumbrado él y muchos de sus conocidos. Ante la desorientación de Pablo al ver como se desmorona a su alrededor aquello que creyó tan seguro, D. Andrés, desde la amplia perspectiva que le otorgan su larga vida dedicada a la enseñanza, la lucidez de su pensamiento y su avanzada edad, le regala su visión llena de sabiduría sobre las diversas situaciones que atraviesan las personas a lo largo de su existencia para conseguir lo único verdaderamente importante en esta vida: evolucionar como seres humanos. La conversación se convierte así en un viaje interior en el que se abordan temas como la incertidumbre ante el futuro, el funcionamiento de la mente, la amistad, la pérdida, el viaje, la renovación, la energía, la visualización..., lo que permite descubrir a Pablo el inmenso mundo pleno de recursos que atesora dentro de sí a la espera de ser Despertado para ponerse incondicionalmente a su servicio.
