Money Land is the sequel to the bestselling and riveting, Blood Land, that introduced the Sheriff James Pruett Mystery/Thriller series. Big crime has come literally crashing down on the small town of Wind River, Wyoming. When a small plane bound for the Canadian border carrying money for the Sustantivo Cartel smashes into the glacial Wind River Mountains, the event brings a heartless evil presence to one of the more remote places on earth. The tail of the plane is discovered, empty. No drugs. No money. Shortly afterward, people start dying. When the cartel comes to town, Pruett will do anything within his power to save his town, his people, the land, and his family. Anything. Once again in the sparse, gritty, starkly poetic styling of James Lee Burke, Tony Hillerman, and John D. MacDonald, R.S. Guthrie brings you his classic hero, at odds against the drug cartel, his own friends and citizens, and federal agencies that begin to sniff out a chance to attack an international crime organization.
