**She has no choice. She must fight. She's going to need a badass to train her...**

When an illegal underground fight leaves my brother in the hospital, I make a desperate deal to save his life: I volunteer to fight in his place. To survive, I need a fighter who can teach me to be as tough as him. I need Aedan O'Harra, the blue-eyed, Irish beast of a man who everyone fears.

But training together means getting close. Every touch of his hands makes it harder to control my feelings. I begin to see the man inside him, the one no one else can. Can I help him break free of the dark secrets that haunt him and can we save each other, or will we both be defeated? Because neither of us is ready for how dark and desperate this fight will become.
