## **Research on Professional Responsibility and Ethics in Accounting: 19** Cynthia Jeffrey

Research on Professional Responsibility and Ethics in Accounting publishes high-quality research and cases which focus on the professional responsibilities of accountants and how they deal with the ethical issues they face.

Covering timely issues such as social responsibility and ethical judgement, the series brings together a range of articles exploring the professional responsibilities of accountants, codes of conduct which affect them, and securities regulations. Compliance with professional guidelines is judgement-based and the characteristics of the individual, the culture in which they operate, and situations all affect how these guidelines are interpreted and applied, as well as when they might be violated.
