Strane figure di donne (Italian Edition) AA. VV.

Una raccolta di 8 racconti eterogenei, incentrati su stravaganti personaggi femminili, che abbraccia generi narrativi diversi: si va dalla storia fantastica esposta ne “La maga del caffè”, dove una semplice impiegata diventa un’abile sensitiva, alle descrizioni erotiche di “Amplessi in una camera d’albergo (V.M. 18)”; dall’ironia de “Il segreto della maggiordoma” alle vicende fantasy che prendono corpo nell’antico Egitto grazie ai poteri magici di un animale consacrato a una divinità, cioè “La gatta della dea Bastet”.

La passione per le invenzioni surreali si ripresenta ne “La Terza Isola”, in cui un misterioso affioramento di terra appare dalle acque della Senna, nel centro di Parigi, aggiungendosi alle due isole già esistenti; una sottile vena di umorismo accompagna le confessioni dell’indossatrice protagonista di “Solo dalla vita in giù”, mentre in “Un salvataggio inaspettato” entrano in scena nientemeno che i pirati.

A conclusione dell’opera un racconto da non perdere: “Regina di Pesci”, nel quale l’autrice presenta la propria biografia vuotando il sacco su alcune situazioni particolari che hanno caratterizzato la sua famiglia, gli anni dell’infanzia e della giovinezza, la vita in un faro, la professione di pescivendola, gli amori clandestini e altri aneddoti finora mantenuti riservati...

Il libro contiene 10 illustrazioni a colori.
