The Options Doctor is an essential resource for good traders who want to be great. Years of experience and painful lessons are translated into winning strategies for all market conditions with tips to gain an edge in the market. Whether your portfolio is up or down...this is what the doctor ordered!

-- William J. P. Dale, Vice President and Portfolio Manager, RBC Dominion Securities, Royal Bank of Canada

"Jeanette Schwarz Young says that the options business 'is a treasure hunt with a real treasure at the end,' and so is her book. She makes complicated topics-candlesticks, butterflies, Condors, straddles and strangles, and more-Understandable, even as she discusses how she entered the business, mastered and created tools of the trade, and helps others manage both winning and losing positions. She clearly is a treasure, too."

-- Dr. Robert A. Scott, President, Adelphi University

"Anyone wanting to learn how to apply technical analysis to options trading should find The Options Doctor very useful. Young is at her best when she explains her favorite trading tools. I especially liked reading about her experiences on the trading floor which have given her a unique view of market trading."

-- John Murphy, author, Technical Analysis of the Financial Markets and Intermarket Analysis
