Christina McMullen, psychologist extraordinaire, has problems—not least of which are her needy clients, a schizophrenic septic system, and her sizzling-then-fizzling romance with Lieutenant Jack Rivera. But Chrissy has yet another problem she'd like to ignore: finding her secretary's missing boyfriend. Okay, so she secretly hopes the vertically challenged computer geek has harmlessly departed from Elaine's life—after all, there's no evidence to suggest foul play. But when her razor-sharp instincts, honed by years as a cocktail waitress, start screaming, she'll have to use all her skills to protect Laney and herself from a fate far worse than heartbreak...and a little more like murder.
