With Love Donnell M Chase

What I love about "With Love" is when I was writing it I laughed and cried. With Love is not a book to force my beliefs on anyone. It's a book of encouragement to help you through troubling times. A book to remind all of us that what we need to survive is already within us (the will to choose), and all we have to do is operate in it.

This book may not be for everyone but for those of you that it does help, I pray that you will find your strength in God. May his love continue to protect each one of us every day!
