Dirty Deeds: A Mechanics of Love Novel Megan Erickson

Alex Dawn is saying no to men. No to bad relationships, disappointments, and smooth-talkers. Focusing on her family and her job at Payton and Sons Automotive keeps her mind occupied and her heart content. She doesn't really miss a man's touch, until one night, one shows up with the body of a god and a voice from her dirtiest dreams.

L.M. Spencer is only in Tory, Maryland, to scope out the town as a possible site for one of his company's hotels. The British businessman didn't expect his car to break down or to find the hottest little American he's ever seen holding a tire iron, piercing him with bright blue eyes.

They agree to one hot night, one dirty deed to burn out the chemistry between them. But from their first kiss, Alex can't stop saying yes to this man. And when Spencer's company threatens everything she cares about, they must make the choice to stand together or apart.
