Temple Worship eloquently describes the joys and blessings of temple worship — and how we can get the most out of our temple experience. In this inspiring, practical book, Andrew Skinner shows how the temple represents the "ultimate" in our worship, how temple ordinances are tied to the Atonement, how temple blessings apply to all — especially to those who walk life's road alone — and how the temple prepares us for exaltation. Weaving in personal experiences and statements from modern prophets, he bears witness that the sealing ordinances are a source of great comfort and security, that temples are places of personal revelation, and that unseen beings attend us there. This book will permanently change your feelings about the temple.
