Underfoot Leanne Banks

Bellagio, Inc. public relations genius Trina Roberts had been a bad, bad girl when she'd gone to bed with a recently jilted groom and wound up pregnant. She knew Walker Gordon wasn't looking for forever—at least not with her. So when he took a job overseas, she sort of *neglected* to tell him about the baby on the way.

Well, now he's back...and he's just figured out the truth.

Walker had been reeling from a very public breakup when Trina had offered solace he couldn't deny. He'd never expected the result would make him somebody's *daddy!* Trina claimed not to need anything from him, but he was determined that his child have a father; he just didn't know if it should be him. Because a father's shoes...well, those he wasn't sure he could fill.
