Analyze the calendar function on the computers, tablets and mobile devices of millions of executives, and what will you find? Wall-to-wall meetings. Even conservative estimates say that we spend more than a quarter of our working lives in meetings, and that over 50% of that meeting time is wasted. Yet meetings appear central to the way process works in the vast majority of organizations and no-one seems to want to tell the truth about them. Can you embody leadership through meetings? Can you innovate effectively through meetings? Is creativity evolved in meetings? Mote is that better meeting and a life-changing way forward. When you learn how to mote you open up the pathways to business success. Empower people, inspire innovation, promote productivity, and mote your way to your business goals. Mote is business process re-engineering. Mote can transform YOUR business.
