Saints and Heroes: Inspiring politics

Frank Field

Saints and Heroes: Inspiring politics Frank Field

Every politician needs inspiration and ideals in this cynical age. Frank Field's Anglican faith provides his inspiration, and a foundation for a set of ideals known as English Idealism, put forward by T. H. Green. These ideals built on Christianity to form a widely shared public ideology. As a leading politician and churchman, Field illustrates such ideals through the life and work of six people who have inspired him in his political career.
