S. Cash Ingram

Business Bookkeeping Guide to Accounting: Master Business Accounting Basics In 4 Easy Steps S. Cash Ingram

Why You Should Read This Book?

Because, now in just 4 easy steps you can easily learn how to get your books set up correctly once and for all and not go broke paying high-priced accountants who hold you hostage and never really explain things so that you understand them.

You can finally learn in easy-to-understand language how to use accounting as a powerful tool to run your business. Even if you have never gotten into accounting before, you can use this book as a reference manual to understand what you need to get started to take control of your accounting and your business. If you know accounting, you will appreciate all the basic principles laid out in one place in an easy-to-follow format.

You will learn an accounting framework by using a proven, proprietary system that I use to teach frustrated business owners who can't make heads or tails out of their financial reports.

Go from books that make you want to pull your hair out, to books that you completely understand and control! Know the real score of your business, Learn to easily read financial statements so you can use them strategically to operate your business.

Learn why just invoicing and billing are not even close enough to run your business.

Give this training to your bookkeeper, and you will have books that you can finally use to help grow your business.

Who is S. "Cash" Ingram?

She has worked with entrepreneurs for almost two decades in accounting, sales, human resources, customer service, marketing, contract management and negotiation. She is a businesswoman who became an expert in accounting because she was tired of paying high-priced accountants who always left her in the dark about her books. She also wanted to know how to use her books to grow her business.

She has thousands of hours of work in accounting, a Masters of Business (concentration in accounting), and she will have another Masters of Accountancy in Taxation in May 2016.

She is a QuickBooks™ Certified User and QuickBooks Certified ProAdvisor®.
