Conversaciones con José Luis Romero (Spanish Edition)

Félix Luna

Conversaciones con José Luis Romero (Spanish Edition) Félix Luna
José Luis Romero (1909-1977) fue uno de los más grandes historiadores latinoamericanos y, por su modalidad intelectual, trascendió la condición habitual del historiador especializado. Fue el tipo, por demás infrecuente, del historiador humanista. Si algo lo caracterizó, sin pérdida alguna del rigor técnico, fue su amplitud: el dilatado alcance de sus proyectos de investigación y la variedad de épocas, campos y subdisciplinas históricas que cultivó. Sin descartar lo temperamental de esa inclinación, pudo influir en ella el clima de su formación: el temprano aprovechamiento del magisterio de Pedro Henríquez Ureña, la cercanía a Alejandro Korn y su grupo en la ciudad de La Plata y la estrecha relación con su hermano Francisco, el filósofo que fue su primer guía, factores todos que además de inducir a una ética del esfuerzo y a la profunda seriedad en el trabajo intelectual, tenían el toque de lo filosófico, con su tendencia a la mirada en profundidad y en amplitud.
