CONVERSATIONS with DOG/GOD: A Paranormal Experience Reveals Mysteries Of The Universe

David Earle Steward

You may ask yourself...what has DOG got to do with GOD. Well...this book and the events that happened one night in March, 2002 made it clear that they were indeed...inseparable. Is it a coincidence that they are spelled with the same three letters...and the same when reflected. However this is only the beginning of the astonishing disclosures that came from a VOICE from the Universe and revealed many shocking enlightenments of its mysteries.

Under very strange and unusual circumstances...a VOICE came...in my own language. The voice came through an Intity called Gracie...my DOG...my Amazing Gracie. I was told to write whatever words or thoughts that came to my mind. I wrote for hours...about things I had merely thought about...and certainly things I had never even imagined or even thought about...!

Mysteries of the Universe, of the Earth. and of Mankind...things spiritual, things scientific, and things in combination of the the two... were explained. Things that had happened, were happening, and things that were to happen in the future.
