Depression and the Spiritual in Modern Art: Homage to Miró

Depression and the Spiritual in Modern Art: Homage to Miró

Integrating perspectives from psychiatry, psychology, and art history, this unique book explores the relationship between depression and artistic creativity. Inspired by a 1993 symposium celebrating the 100th anniversary of the birth of Joan Miro, who himself suffered severe bouts of depression throughout his life, it features famous works of modern art/abstract impressionism from various schools and regions around the world.
