**El enano: Historia de una enemistad (Spanish Edition)** Fernando Ampuero

Érase una vez un enano que aparecía en la televisión y que se creía el dueño de la verdad. Érase una vez un petimetre cuya religión era la insidia y el devaneo revanchista. Con tal individuo suelto en Lima, las rencillas y los resquemores están por lo común a la orden del día.

Empleando la aguda percepción del entomólogo y el fresco humor del cronista, Fernando Ampuero recrea en esta ocasión la historia de dos periodistas que, al poco tiempo de conocerse, entran en pugna. Libro autobiográfico que participa de la memoria y el diario íntimo, recuento de veinte años de conflictos, anecdotario de vidas paralelas, el presente relato - ágil, punzante y con momentos salvajemente divertidos - empuja al lector a cruzar y descruzar la línea divisoria entre el periodismo serio y la rastrera prensa amarilla. Un libro que nace de una certidumbre: "A este enano muchos le temen y pocos le contestan", nos dice Ampuero. "Esto es una respuesta".
