The Broken Whole: Philosophical Steps Toward a Theology of Global Solidarity (SUNY series in Theology and Continental Thought) Thomas E. Reynolds

Considers the problem of pluralism and offers a vision of human solidarity for the postmodern era.

In an increasingly precarious global situation, and in light of the postmodern emphasis on difference, efforts to grasp the “whole” as something universally shared by all human beings have fallen short, according to Thomas E. Reynolds. In this book, he explores the philosophical and theological significance of the problem of pluralism and asserts that the shared resources of the world’s religious traditions can be used to cultivate peace and solidarity across diverse boundaries. He engages a range of philosophical thinkers—such as Gadamer, Marcel, Rorty, Foucault, Levinas, Derrida, and Habermas—and brings them into conversation with contemporary theologians and writers in religious studies. Presenting a vision of solidarity that is both religiously charged and philosophically astute, *The Broken Whole* outlines an inventive approach toward retrieving the relevance of God-talk, an approach rooted in a philosophy of dialogue and cross-cultural hospitality.

Thomas E. Reynolds is Assistant Professor of Religious Studies at St. Norbert College.

Do you at times have book but you seldom get what it's about. Oh come on, that would not happen if you have this in your hand. The Enjoyable set up here cannot be questionable, including treasuring beautiful island. Techniques you still want to miss it? Find this book along with read it from right now!

Donna Layne:

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library in order to make summary for some publication, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading really. Any students feel that reading through is not important, boring and

can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this The Broken Whole: Philosophical Steps Toward a Theology of Global Solidarity (SUNY series in Theology and Continental Thought) can make you experience more interested to read.
