There's a place where real and surreal collide.

At the mercy of a madman, a phantom, Mr. Bones joins a cursed Krewe and chases the horizon in a race against his time left on earth to find the Ocean's Daughter before the 'Wicked' one finds them first!

“She bears the power to free their very souls from a life never asked for, a life never wanted. But will they find a Savior in this spirit before the sword of Damocles buries their souls at sea?”

No one really knows.
