Armed with above average looks and a (completely false) angel-like personality, Shinghi Ghang has every girl in school head over heels, and all the guys looking to him for guidance. With the exception of having a screwed up cross-dressing devil for a dad, Shinghi's life is absolute perfection until one day, Sung-Hae - a complete martial artist freak who also likes to fib - transfers to his school. Fate has brought these two masters of lies together, and the two must battle it out to see who will be crowned the undefeated heavy-weight champion of fakeness!
