## **Managing Federal Government Contracts: The Answer Book** Charles Solloway Jr

Questions can arise at any point in the process of working with government contracts. Now, you have an accessible resource you can trust for authoritative answers. *Managing Federal Government Contracts: The Answer Book* covers the contract management process from planning to closeout and all the steps in between. Using the regulations and legislation as a basis, author Charles Solloway draws on his many years of experience to craft answers that will help you address the issues you face every day .

This book provides answers to the questions most commonly asked by government program and contracting personnel, contracting officer's representatives, contractor employees, inspectors, and all those involved in government contract management. The question-and-answer format makes getting the information you need quick and efficient. Examples of forms and templates drawn from actual contract work are included to make your work easier. Along with the basics on the roles of the various contract team members and the different aspects associated with each contract type, this resource covers:

Partnering issues  
Data use for efficient contract management  
Remedial actions and how to properly initiate them  
The government's role with subcontractors

Don't let your questions go unanswered. Get *Managing Federal Government Contracts: The Answer Book*.
