## **Sexo inteligente (Crecimiento personal) (Spanish Edition)** Marty Klein

Este es un libro para todos aquellos que no disfrutan de un sexo tan fantástico como desearían. Para los que creen hacerlo demasiado, o demasiado poco; para los que temen que sus parejas no los encuentren atractivos; para los que tienden a evitar el sexo o a veces se sienten solos durante el acto sexual... Es un libro, en suma, para todos nosotros.

Mary Klein, reconocido terapeuta familiar y sexual, que levantó ampollas en Estados Unidos con su demoledor libro *America's War on Sex*, llega con un título arrollador, sincero, inteligente y rebosante de sentido del humor, que desafía todas las convenciones más arraigadas sobre el deseo, el orgasmo, el éxito o el fracaso en la cama. . Con testimonios reales extraídos de sus más de treinta años de experiencia clínica, el doctor Klein invita al lector a olvidar lo que es "normal" o "anormal", "funcional" o "disfuncional" y a explorar la sexualidad desde una perspectiva distinta, al margen de técnicas y posturas: la inteligencia sexual. Un libro tan inteligente como radical, que promete tanta polémica como su título anterior.
